

IntelliDyne®

MENTOR PROTÉGÉ JOINT VENTURE PROGRAM

Galapagos-IntelliDyne (G&I) Solutions has been providing reliable services to the Department of Defense (DoD) and other federal agencies for over 30 years. We are an SBA-approved MPJV between Galapagos, LLC, an NHO 8(a); and IntelliDyne, LLC.

Why G&I Solutions: A global professional solutions provider supporting mission-critical requirements with Cybersecurity and Advisory Services.

IntelliTek is an SBA-approved MPJV between Aetos LLC, a Texas Hub SDVOSB and IntelliDyne, LLC that provides advanced technology services to state, commercial, and federal clients.

Why IntelliTek: IntelliTek leads the way in the ever-evolving digital transformation landscape, specializing in Application Development and Advanced Analytics services.

MakaiDyne has a strong history of providing Integration and Edge Technology services to the DoD and other Federal Agencies. We are an SBA-approved MPJV between Makai Defense LLC, an NHO 8(a); and IntelliDyne, LLC with a specialization in Cybersecurity and AI/ML.

Why MakaiDyne: As an NHO, MakaiDyne can receive set-aside sole source awards up to \$100M, bringing extensive experience supporting complex DoD programs.

IntelliDyne empowers government clients to achieve their operational goals by delivering mission-critical solutions and services. We achieve this by combining our capabilities and technology expertise with the power of strategic partnerships. By collaborating with exceptional small businesses and leading technology providers, we unlock a wider range of solutions, services, and access, ensuring the most effective outcomes for our customers.

Our Mentor-Protégé Joint Ventures (MPJVs) provide the stability of a large organization through a centralized, shared services back office. With decades of combined experience, we support our customers with a wide range of full-scope IT solutions. We leverage the know-how and successful track record of our management team, combining small business agility with large business reliability.

We strive to be a role model in business and the community. We are committed to:

- Doing the right things for our customers and employees.
- Creating lasting customer relationships as a trusted partner, not just a vendor.
- Attracting and retaining a first-class, diverse workforce.
