CAPABILITIES

Thorsen Logistics Group LLC is a federally registered SDVOSB supporting federal procurement and acquisition through compliant sourcing, documentation coordination, and integrated logistics execution under NAICS 541614 and 488510.

CORE COMPETENCIES

- Contract, Procurement & Acquisition Support (R707)
- Federal Compliance, Reporting & Documentation Control
- Chain of Custody & Time-Sensitive Movement

FACILITIES & EQUIPMENT

- HD Operations Hub – Fayetteville, PA (Secured network and document control)
- Internal Operations & Training Manual aligned with FAR and DoD-style standards
- Audit-ready digital systems
- Qualified nationwide carrier and supplier network supporting CONUS requirements

- **Founded & Led by USMC veteran Tanner D. Thorsen**, bringing active-duty experience in logistics, compliance, and operational execution across mission-critical environments

PAST PERFORMANCE / CLIENT ALIGNMENT

- Supported development and launch of a compliance-driven procurement and logistics support operation aligned with federal and defense acquisition requirements.
- Developed a proprietary audit-ready compliance binder ecosystem (MCB, CSOP, OTM, FIB, LoAFG)
- Implemented transparent, carrier-first execution and compensation model supporting sustainable fulfillment.
- Built internal systems enabling KPI tracking, documentation control, and standardized onboarding to support nationwide reliability
